IMPORTANT INFORMATION ABOUT MOVE IN

Master Promotions is working closely with the Pictou County Wellness Centre to ensure heat is retained in the facility during show open hours. Wherever possible, we are encouraging exhibitors to use the air lock move in door (above left) Should you require the large loading doors (above) the following rules will apply.

Move In using the large move in doors will only be permitted on Thursday, March 30th from 8:00am – 7:00pm. **This door will not be opened after that time to ensure the facility gets heated.**

On Friday, move in will be limited to walk in products or via the doors on the right of the facility. There will be limitations as to the size of products brought in those doors, so if bringing larger product we recommend Thursday move-in.
